### **Travelling by car: !!! IMPORTANT => Zermatt is a car-free resort !!!**

If you travel by car, you must leave your car at the latest in Taesch, a small village 5km before Zermatt. In Taesch are many parking places.

Depending if you want to travel by train or by Taxi-Bus to Zermatt we recommend following 2 options:

### **Travelling by Taxi-Bus from Taesch to Zermatt:**

Our Recommendation: chose the service from "Park & Ride Alphubel" [www.alphubel.ch](http://www.alphubel.ch) (= Avia Garage).

**Prices:** [www.alphubel.ch/index.php?id=353&L=1](http://www.alphubel.ch/index.php?id=353&L=1)

You get a reduction, if you use both services (park & ride).

The Alphubel Park & Ride-Service is available for clients 24 hours => telephone: +41 27 967 15 50.

=> If you arrive later than 19:30, please call Alphubel 15 minutes before arriving in Taesch.

### **Travelling by Train from Taesch to Zermatt:**

In this case we recommend you to garage your car in the Matterhorn-Terminal (next to the Avia Garage).

**Shedule & Prices:** [www.matterhornterminal.ch/zermatt-shuttle/fahrpreisen.pdf](http://www.matterhornterminal.ch/zermatt-shuttle/fahrpreisen.pdf)

=> You get the depot of CHF 5.- back when you return the caddy in Zermatt's Train Station!
